

FJD Mini Control

- ✓ Bluetooth Connectivity
- ✓ Easy Control
- ✓ Flexible Operation
- ✓ Simple Interaction

EASY INSTALLATION

Mini Control connects to the auto steer system via Bluetooth, eliminating the need for wiring. Two installation methods are provided: directly sticking with tape or using a base to secure the keypad at any convenient location on the steering wheel. The installation is simple.

SIMPLE OPERATION

Press and hold to power on/off; a short press toggles the autopilot mode. Bluetooth automatically pairs upon powering on. When powered on, the device will automatically enter sleep mode and disconnect after ten minutes of inactivity. After powering off, press and hold to wake up and reconnect automatically.

Diameter	36 mm
Thickness	8.5 mm
Battery Type	CR2025 (150 mAh)
Bluetooth Range	8-10m
